

To access the Procedure Catalog

1. Click on the Epic button in the upper left hand corner.

2. Scroll through the menu until you find the 'Procedure Catalog'.

3. Search by test name or lab code in the search bar.

The image shows a search interface. At the top, it says "Search:" followed by a text input field containing the placeholder text "Enter a procedure". To the right of the input field is a button with an "X" icon and the text "Clear". Below the input field is a grid of buttons representing the alphabet and a hash symbol, arranged in three rows: Row 1: A, B, C, D, E, F, G, H, I; Row 2: J, K, L, M, N, O, P, Q, R; Row 3: S, T, U, V, W, Y, Z, #.

4. Click on the search results to bring up the procedure catalog page associated with the test of interest.

The image shows the search results for the query "phosphorus, i". The search bar at the top contains the text "phosphorus, i" and a "Clear" button. Below the search bar is the same alphabet keyboard as in the previous image. Below the keyboard is a scrollable list of search results. The first result is "☆ PHOSPHORUS, INORGANIC", which is highlighted with a blue background.

5. The procedure catalog summary tab will list the following information:
 - a. Name, test code, synonyms.
 - b. Specimen requirements
 - c. Container types
 - d. Turnaround times
6. The procedure catalog reference range tab will list the following information:
 - a. Age and/or gender defined reference ranges
 - b. Age and/or gender defined abnormality ranges
 - c. Critical values
 - d. Valid checking range (AMR)

7. To change labs, go to the 'Lab' field at the bottom to search the lab of interest.
